

TNT Sound Artists Request Sheet
2024

Hello, my name is Tedd Lupella and I own TNT Sound, who will be providing sound and lighting for the Waterford River Rhythms in conjunction with Josh Patterson of In the Mix productions. The purpose of this form is to verify your production needs and provide you with contact information in case you have questions.

I look forward to working with you!

Tedd Lupella

****Note:** TNT Sound will be providing all microphones, stands, mixers, speakers and other equipment. The artist will only need to bring their instruments and personal monitoring systems if they would like. Also note: a split audio snake can be provided to assist artists with monitoring continuity (If you need to use your mics and personal mixer for IEMs). FOH mixing and microphone processing will be done by TNT sound staff only unless approved in-advance arrangements are made.

Gear:

Mixing consoles - Allen & Heath SQ and Avantis
Speakers – FOH: DB Tech DVA Line Array and Subwoofers
Monitoring - QSC K series and Yorkville NX10's Coaxial and Electro Voice EKX subwoofer for drum mix. Wired monitoring is available upon request.

Microphones - Shure Beta 92 or Audix D series drum mics, Shure KSM27, CAD 179 & e70, Audio Technica 3035 & Pro 37, Sennheiser 835/945 vocal mics, and many others. Wireless mics provided upon request.

Lighting: Computer controlled LED and intelligent lighting.

Artist Stage Plot & Requests (please fill out and let me know via email, or scan and email back).
